My neighborhood

My neighborhood is very peaceful and quiet. It is a new neighborhood, and there are a lot of big houses and some apartment buildings. The streets are very clean, and there aren't many cars.

There's also a park, which has a small playground for children and a large field. I like to play baseball there with my friends after school. All of the houses have a small front yard but big backyards. Most of my neighbors have a swimming pool, and some even have a trampoline!

Everyone has a flower garden, and in the spring, it is very beautiful. My road is called Maple Road. It is not in the city. It's in the suburbs. There aren't any restaurants, bars or cinemas on my road. But, if you go to Main street, you can find a lot of things to do.
