Three days ago, I went to the traditional market to buy some fruits and vegetables. In that market, I saw an accident, there was a thief beaten by a lot of people. It was so terrible. I didn't want to take closer and see. A few minutes later, police came and took him.

I asked to the fruit seller what had happened actually and she said that the thief tried to steal someone's wallet but he was unlucky. Someone saw him and shouted loudly and suddenly some people roughed him up hardly.

It was a pity event and I hoped it would never happen again.

I had a very kind teacher at senior high school. He was math teacher. He was never angry at class even the students were lazy doing the homework. He always taught slowly so that we could have good understanding.

One day when I was at third grade, we all got bad news. Our best teacher passed away because of cancer in his head. We were so sad. There was no class that day. All teachers and students went to mourn and gave our last honour to him at the funerary event. We all were crying. We all were praying for him.

He left us forever but leaved a good knowledge for us to learn math in a good way. Thanks for him, for his kindness and wisdom as our teacher and also our father.

Yesterday my family went to the zoo to see the elephant and other animal. When we got to the zoo, we went to the shop to buy some food to give to the animals.

After getting the food we went to the nocturnal house where we saw birds and reptiles which only come out at night. Before lunch we went for a ride on the elephant. It was a thrill to ride it. Dad nearly fell off when he let go of the rope. During lunch we fed some birds in the park. In the afternoon we saw the animals being fed.

When we returned home we were tired but happy because we had so much fun.

Last weekend, my friends and I went camping. We reached the camping ground after we walked for about one and a half hour from the parking lot. We built the camp next to a small river.

It was getting darker and colder, so we built a fire camp. The next day, we spent our time observing plantation and insects while the girls were preparing meals. In the afternoon we went to the river and caught some fish for supper.

At night, we held a fire camp night. We sang, danced, read poetry, played magic tricks, and even some of us performed a standing comedy.

On Monday, we packed our bags and got ready to go home.

Last year was the best experience I've ever got. I was the first winner of singing competition.

I love singing since I was kid. I practiced so hard before I the D-day. My parents were really supportive. They helped me to practice and prepared healthy food for me. They also gave me motivation to believe in myself.

That's why winning singing competition meant so much to me.
