The goes down

The come out

And all that

Ex. 2 Listen and number the lines in the order you hear.

..... So let's go somewhere no-one else can see, you and me

..... You cast a spell on me, spell on me

..... And I decided you look well on me, well on me

..... You hit me like the sky fell on me, fell on me

Ex. 3. Listen and choose the words that you hear.

Turn the lights out now

Now I'll take you by the **head/hand/chance**

Hand you another drink

Drink it if you can

Can you **send/stand/spend/** a little time,

Time is slipping away,

Away from us so **tell/stay/say,**

Stay with me I can make,

Make you **glad/sad/mad** you came

Ex. 4. Listen and correct the words that are wrong.

The moon goes down

moon

sun

The lights come out

And all that matters

Is there right now

My universe will always be the same

I'm sad you came

I'm mad you came
