

Part 4**Questions 21 to 30**

You will hear a teacher, Ms Lily, talking about how the graduating students made a school garden.

For questions 21 to 30, fill in the missing information in each numbered space.

Use **NO MORE THAN ONE WORD** for each space.

You will hear the interview twice. Answer all the questions.

TRACK 40

The Seniors' School Garden

Right before graduating, the entire senior year of SMK Seri Dalam decided to build a school garden. They wanted everyone to be able to (21) _____ nature in a more relaxed environment. The team that strived for this comprised of teachers, (22) _____ and non-teaching staff which included the janitor and (23) _____.

The plants in the garden were all hand-picked by (24) _____ together. With their vast selection, the garden was divided into two sections: the (25) _____ and the (26) _____ sections. They included many of the local favourites, such as jasmine and Italian herbs that often remind us of pizza and pasta.

Work on the garden began on a cool (27) _____ morning. With a total of (28) _____ hours, they managed to create a beautiful garden by (29) _____ p.m. Thanks to the entire team's efforts, not only does the school have the privilege of enjoying a wonderful garden, but also the birth of the Green (30) _____ Club. It is without a doubt that the school is very proud of the seniors, the garden and their achievements.
