

Music Math!

Add up the beats that each note receives and find the sum

$$\begin{array}{cccccc} \text{Note} & = 1 \text{ Beat} & \text{Note} & = 1 \text{ Beat} & \text{Note} & = 1 \text{ Beat} \\ \text{Note} & = 2 \text{ Beats} & \text{Note} & = 2 \text{ Beats} & \text{Note} & = 3 \text{ Beats} \end{array}$$

$$\begin{array}{l} \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} = \end{array} \quad \begin{array}{l} \text{Note} + \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} + \text{Note} = \end{array}$$

$$\begin{array}{l} \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} = \end{array} \quad \begin{array}{l} \text{Note} + \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} + \text{Note} = \end{array}$$

$$\begin{array}{l} \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} = \end{array} \quad \begin{array}{l} \text{Note} + \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} + \text{Note} = \end{array}$$

$$\begin{array}{l} \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} = \end{array} \quad \begin{array}{l} \text{Note} + \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} + \text{Note} = \end{array}$$

$$\begin{array}{l} \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} = \end{array} \quad \begin{array}{l} \text{Note} + \text{Note} + \text{Note} = \\ \text{Note} + \text{Note} + \text{Note} = \end{array}$$
