

# Halloween

Halloween is \_\_\_\_\_ in many places, including Thailand. People celebrate it by \_\_\_\_\_, such as \_\_\_\_\_ or dressing up like \_\_\_\_\_. They often put \_\_\_\_\_ inside \_\_\_\_\_ to make a glowing jack-o'-lantern with a funny or scary face. Kids like to dress up as \_\_\_\_\_ or \_\_\_\_\_ and carry a basket to collect candies from neighbors by saying "\_\_\_\_\_. Sometimes, they visit a spooky house with creepy \_\_\_\_\_ like skulls and spiders. People also enjoy telling spooky stories about monsters, werewolves, vampires, and bats that appear when the moon is high in the sky. Halloween is a joyful time for everyone to have fun with costumes, candies, and spooky tales.
