

READING

IT'S A TEEN'S LIFE

Martin is a high school student. He wakes up at 6:00 a.m. every day to study before school. He has breakfast at 7:00 and arrives at school at 8:00. After school he goes to science club. He has dinner at 7:00 and studies until 10:00. He plays football on Saturdays.

Gabriela is Martin's friend, but they aren't in the same class. Gabriela wakes up at 7:00, has fruit for breakfast and gets to school at 8:15. After school she goes to dancing lessons. She has dinner at 6:30 and studies until 11:00. On Saturdays she and Martin play football together.

1 Read the texts about Martin and Gabriela's daily routine. Write *Martin* or *Gabriela*.

- | | | | |
|----------------------------|--------------------|--------------------------|-------|
| 1 Wakes up at 6:00 a.m. | _____ Martin _____ | 4 Studies before school. | _____ |
| 2 Has fruit for breakfast. | _____ | 5 Does dancing lessons. | _____ |
| 3 Gets to school at 8:15. | _____ | 6 Goes to science club. | _____ |

2 Complete the table with the correct information.

Time		
7:00 a.m.	1 Ga	
8:00	3	
8:15	5	
6:30 p.m.	7	
10:00	9	

3 Read the texts again. Write T (true) or F (false).
