

## Reported Questions

In **reported questions** we use affirmative word order and the question mark is omitted. To report a question we use: a) **ask, wonder, want to know** + **wh-word** (*who, what, etc.*) when the direct question begins with such a word, b) **ask, wonder, want to know** + **if / whether** when the direct question begins with an auxiliary or modal verb (*be, do, have, can, may* etc). Pronouns, possessive adjectives, tenses, time expressions, etc. change as in statements.

### Direct speech

He said, "Where did they stay?"  
He said to me, "Have you got a bike?"  
He said to her, "Can you drive?"

### Reported speech

He **wondered where** they (had) stayed.  
He **wanted to know if / whether** I had a bike.  
He **asked her if / whether** she could drive.
