---	---	---	---	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

'Read and Ride'

Schools across (0) world are always thinking of new ways to keep students active and alert. A school in the USA has recently installed exercise bikes in one classroom and students ride these while reading their books. A staff member at the school, (9) enjoys using an exercise bike at the gym and reading at the same time, came (10) with the idea for (11) he calls the 'Read and Ride' program. Believing this would be a fun way to persuade students to become more active, he placed one in his classroom and encouraged them to use (12) during independent reading sessions.

The exercise bike was (13) a success that he introduced the Read and Ride program to the entire school. Now the school has a special room full of bikes that (14) regularly used by students. Besides (15) reading more fun, the program also helps students to exercise at a comfortable pace without experiencing the pressure that comes (16) competitive sports.

For questions 25–30, complete the second sentence so that it has a similar meaning to the first sentence, using the word given. **Do not change the word given.** You must use between **two** and **five** words, including the word given. Here is an example (0).

Example:

0 Prizes are given out when the school year finishes.

PLACE

Pigeons monitor air pollution levels in London

A team of racing pigeons flew over London recently in order to collect information on the UK capital's (0) pollution levels. The birds were each carrying a small lightweight backpack containing an air quality monitor which (1) measured levels of polluting gases as the birds flew around the city. The project wasn't (2) to be a permanent solution to air monitoring in London. It only lasted for three days, and was more concerned with raising awareness about the scale of the city's pollution problem.

People interested in finding out about the air quality in their area could send a message to the organisers (3) the internet. They then got an automated (4) , rating it on a scale of 'Fresh' to 'Extreme'.

Any attempt to improve air quality should be (5) by Londoners. And (6) residents aren't generally great fans of pigeons, this (7) flock of helpful racing pigeons may have changed some people's (8) to the birds.
