4. Read. Choose ONE suitable word to fill in each gap.

Hi everyone! My name is Nick. In the morning, I always get up early. Then, I brush my teeth and have breakfast. After breakfast, I go to school. I usually take a bus to school.

In the afternoon, I go home and play with my brother. We like to play hide and seek in the garden. Sometimes we go to the park and have fun with our friends.

In the evening, I have dinner with my family. Then, I do my homework. Finally, I read story books with my brother, and we go to bed together.
