

My mum is a receptionist in a big hotel.

On workdays, she always **wears a dark jumper, a white T- shirt and black boots**. Mum's got a lot **of beautiful jeans** but she **can't** wear them to work.

Dad is an English teacher. He wears trousers, colourful shirts and trainers.

Dad **never wears a suit or a tie to work**. And what about me? I **wear a school uniform**. It's a blue skirt, a **yellow T- shirt** and a green sweatshirt or cardigan. **I don't like** my school uniform, especially **the sweatshirt!**
