**İşlemi yap ve sonucu kutuya yaz**  
**Do the action and write the result in the box**

# COLOR THAT SHAPE

Let's decorate this pizza! Follow the color guide and color the shapes. When done, count how many of each shape are in the pizza and write them in the boxes below.

**Bu pizzayı süsleyelim! Renk kılavuzunu izleyin ve şekilleri renklendirin. İşiniz bittiğinde, pizzadaki her şeklin kaç tane olduğunu sayın ve aşağıdaki kutulara yazın.**

**Düğmeyi ipliğe ulaştıracak yolu kodla**

**Code the way to get the button to the thread**

# Button Coding

**Şekillere bak ve örüntüyü tamamlamak için  
yanına gelecek olanı daire içine al**

**Look at the shapes and circle the next to  
complete the pattern**
