I was at Granny's house yesterday and I was looking at some old photos of Granny's parents. I love looking at their clothes because I'm interested in fashion. One day I'm going to be a famous fashion designer – or a model!

The old black and white photos from the 1950s are the coolest. Granny's mum had short curly hair and she was very pretty. In one photo, Granny's parents were in the garden. Granny's mum was wearing a beautiful spotted dress. Very smart! Granny's dad was bald and he had a moustache. He was wearing baggy trousers, a baggy cardigan and a checked shirt. Not very smart!

I also found a photo of Granny and Grandad when they were teenagers! How cool is that?! They were dancing at someone's birthday party. Granny was wearing a striped skirt, a belt and a top. She was also wearing socks – with sandals! Grandad was wearing a shirt, a tie, tight trousers, and white socks with black shoes. Lots of white socks in the photo!

Granny said they went to parties every weekend and everyone danced to rock and roll music. Her mum hated the clothes Granny wore and she thought rock and roll was the worst music in the world! Amazing!
