Hey Liam

How are you doing? My new school (Seven Oaks Academy) is amazing! My class is small so the teachers have time to help everyone. We decide the subjects we want to study in class, and we can work on projects together in groups.

We've got an IT room so we can find the information we need (we don't use course books), and we can use tablets in class – but I haven't got one. ☹️ You know I love Science so I spend a lot of time in the science lab. This school's really different from the old one. I love it!

How are things at your new school?

Cheers

Simon
