

1. Listen to the dialogue and choose!

Ivan collects football cards / postcards with his brother.

They've got cards from different countries / cities.

His favourite sports are football and table tennis. He plays

football with his friends / parents and he plays table

tennis with his grandpa / dad . He likes computer

games, too. He plays on the computer for an hour / three hours

after school. He writes a lot of emails. He's got internet friends

from Hungary / Italy . He doesn't like dance but he loves

music. He listens to the radio / his MP3 Player on Saturdays.

His mum is a violin / piano teacher. Ivan plays the piano

and the violin. At school his favourite subjects are Maths and

French / English but he doesn't like History and Geography.

2. Write short answers:

Yes, he does. / No, he doesn't.

Pontosan, így írd (pont, vessző)

Yes, they do. / No, they don't.

a) Does Ivan play the violin?
