The activity consists of four drawings and a grid of boxes. Arrows point from each drawing to a specific box in the grid:

- A feather points to the top box of the second column.
- A sock points to the second box of the first column.
- A cat points to the bottom box of the first column.
- A crescent moon with a face points to the top box of the fourth column.

The grid contains the following letters in a vertical column in the second column from the left:

- Top box: P
- Second box: E
- Third box: N
- Bottom box: A

All other boxes in the grid are empty.
