CHOCOLATE CHIP COOKIES

Directions

Heat the oven to 175 C.

Add the vanilla extract to the mixture.

Add the baking soda and water mix to batter.

Add the flour and chocolate chip last.

In a separate cup, mix the baking soda with hot water.

Mix thoroughly and drop a large spoonful of dough onto an ungreased pan for each cookies.

Add the salt and stir.

Mix the butter, sugar, and brown sugar until smooth.

Add the eggs one at a time and mix.

Bake for 10 minutes in a heated oven or until the sides of the sides of the cookies are nice and brown.
