Homestay holidays

Nikos

Homestay holidays are becoming very popular, and people everywhere are offering their homes as hotels. My home is in a village in **northwest** Greece, but it is not for people who enjoy beach holidays. The village is in the mountains and there are 45 other villages in the area. If you are fit, you can walk from one village to the other. The mountain views are fantastic, and you cross old bridges and go past forests where bears live.

Rami

Our home is near the centre of Sydney, Australia's largest city. It is perfect for a homestay holiday. Sydney is a friendly place, with lots of cafés, restaurants and clubs, which are open until long after midnight and where people can enjoy themselves. However, it is noisy at night and there is a lot of traffic during the day. The best thing about Sydney is the weather. It is good all year; it rains in the winter, but it is too warm to snow.

Marcus

Our house is by the sea in the **southwest** of England, a 15-minute drive from the village of Porthcurno. It is a great place for a relaxing homestay holiday. There are lots of beaches and rivers, and it is very quiet. You can spend a lot of time reading and going for walks. There is a special open-air theatre nearby, on the side of the **cliffs**. As you watch a show, you can look out to sea. Our area is also great if you enjoy surfing, **kayaking** and mountain biking.

Explorers

Gerald

When I was a boy, my parents worked in Africa for two years. We visited lots of exciting places there and I have loved travelling and exploring since then. I usually choose to travel alone because it is easier to meet people that way. I often stay with the new friends I make on my journeys, and finding out about new cultures is my favourite part of exploring.

Simone

My favourite places are in the cold parts of the world. There are some areas, covered in snow and ice, where almost no one has ever been before. I usually go on foot because there are no roads. I plan my trips very carefully – I like to be well prepared and I take lots of special equipment with me. I sometimes go for days and weeks without seeing other people – I like the opportunity that gives me to think about my life and to make plans.

Frank

I do most of my exploring by boat. It can take me weeks to get somewhere I could drive to in a day, but it is all about the journey. I always take someone else because my boat needs two people and I don't think I would like to go alone. There usually aren't many people at all in the places that I explore, so I don't often meet new people. My boat is quite small so I can get to places that other, bigger boats can't get to. That makes travelling even more interesting.
