

Work and Business - Useful vocabulary

corporation	profit	sole trader	partnership
salary	employment	qualifications	satisfaction
white collar	blue collar	skills	contract
shareholder	risk		

1. Paraphrase

For the above words, look for the definition (if necessary), think of a synonym, different grammar form and collocation.

Eg. salary: Synonyms - pay, wages

Grammar forms - salaried, salaries

Collocations - salaried employer, monthly salary

Changing the word order in a sentence: You will successfully paraphrase if you change the word order of the question you are asking.

Eg. 'What is your favourite website?' The website wikipedia is definitely my favourite...'
