TASK FIVE

PETS: Preberi besedilo in ga dopolni tako, da v tabeli spodaj obkrožiš črko pred besedo, ki najbolje dopolni posamezno poved. Oglej si primer 0 spodaj.

People all over the world **0)** _____ got pets. There is nothing quite like having a pet. Whether you have a cat, a dog or a hamster, there **1)** _____ many positive things that pets give us. The **2)** _____ and most important role of pets is that they are our best friends in the world. They make our lives better and they **3)** _____ us be healthy. Pets keep us company, teach children how to take care of others, make us laugh and they give us love.

Although almost all animals can be pets, the **4)** _____ popular pets are dogs and cats. That is because they are much **5)** _____ to cuddle and play with than some other pets, like snakes. Many people keep fish as pets **6)** _____ an aquarium. Fish are beautiful and very interesting to look at for young children and need less care than many other pets. Another group of fun pets are birds. They learn to do tricks, and **7)** _____ parakeets can learn to talk.

Some pets **8)** _____ live outside of cages or terrariums – among these are hamsters, mice, turtles and snakes. They live in these places, because they are difficult to catch and find if they get out.

It doesn't matter what your favourite pet is, what is important is that you love and take care of it. Pets **9)** _____ find their own food and shelter, because they are in **10)** _____ homes most of the time, so we must take care of them to keep them healthy and alive.
