

Look at the pictures in Exercise 1 and complete the email with *too* or *enough* and the words in brackets.

My darling Lulu,

Here are some photos for your family photo album – I found them last weekend.

The girl is your mum! She's at a party. She was sixteen in the photo. I think she was pretty but her clothes were awful! Her

¹ *T-shirt was too baggy* (T-shirt / baggy), her

² (jeans / short) and her

³ (shoes / big). And those

socks! ⁴ (she / old) for those

socks! I don't think those ⁵
(clothes / smart) for a party but they were stylish in the 1980s.

I also found this photo of my father. In those days, people usually wore smart clothes in photos but not your great-granddad! His ⁶ (jacket / old) and his ⁷ (trousers / long)! But he was a gardener and he wore those clothes at work.

See you next weekend.

All my love,

Gran
