F Read the email. Circle *True* or *False* for each sentence.

Hi Mariano

Here are directions to my apartment. From the station, turn left and go one block. My address is 253 Guipuzcoa Street. My apartment is between a school and a bookstore. Go to the third floor and my door is on the left.

My apartment is small but it has three bedrooms, and a really big kitchen. I know you like cooking! If you don't want to cook we can go to Ceviche, a great Peruvian restaurant in the neighborhood. If you don't like Peruvian food then we can go to the Hotel Alba because the restaurant is international. My cousin Pablo works at the restaurant as a server. The hotel and Ceviche are only two blocks from my apartment and they are open until midnight on the weekend.

My apartment is downtown and it is great for shopping. There is a supermarket near my apartment and there are lots of stores in the shopping mall. We can go shopping tomorrow or we can take a bus to an interesting museum. There are lots of great places to see on the weekend.

There is no beach near my house, but you have a beach near your house, so this isn't a problem!

See you soon!
