Fantastic movie

I think *Pirates of the Caribbean* is the best movie I have ever seen. I love Jack Sparrow (played by Johnny Depp). He is a funny character. He saves a girl from some other pirates. My favorite part is when the two ships are fighting in the storm. I don't think it's scary. I've watched it on TV a hundred times!

The best movie

The best movie I've seen this year is *Mr. Bean's Vacation*. Mr. Bean has won a ticket to travel to Cannes, France but, as usual, he has lots of problems. I think the best part is when he's in the restaurant and doesn't know how to eat the food. It's very funny!

I've seen it once, but I really want to see it again.

My favorite movie

My favorite movie is *Toy Story 2*. The characters are fantastic, and the story is really funny. I don't think *Toy Story 1* was better. I think the best part is when they drive around the toy store in a toy car looking for Woody. My friends say that the movie is for little kids, but I love it. I've watched it ten times!
