Owner

Person involved	Definition/Role
	Individual or entity who owns a business entity in an attempt to profit from the successful operations of the company. Generally, has decision making abilities and first right to profit.
	An individual or company who has some degree of involvement with another entity's business dealing. Such as a computer manufacturer who works exclusively with another company who supplies them with parts.
	An individual, group, or organization that owns one or more shares in a company, and in whose name the share certificate is issued.
	Government body formed or mandated under the terms of a legislative act to ensure compliance with the provisions of the act, and in carrying out its purpose.
	Someone who engages the services of a professional. For example, accountants, and web designers.
	Someone who buys goods or services from a business (rather than an individual or group of professionals).
