I'm off. Lucky you! Tell me about it!
 That's strict! What are you up to?
 You're kidding!

Hi, Jo. ¹ *What are you up to?*

Hi, Tara. I've just finished writing my blog.

I read your last one about family rules. It was great! 😊

Thanks. Sometimes I hate family rules. 😞

² But your parents aren't very strict, you know.

³

No, really – your parents' rules are almost the same as my parents' rules. And if I get home late or something like that, I'm not allowed to go out, watch TV or use my laptop.

⁴ Do you have to do a lot of household jobs?

Well, I have to tidy my room, vacuum the living room and load the dishwasher. How about you?

Oh, my mum does most of the housework.

⁵ See what I mean? My parents' rules are stricter.

Maybe. Anyway, ⁶ to my guitar lesson. See you!
