Travelling is \_\_\_\_ activity many people enjoy! Some \_\_\_\_ people save money \_\_\_\_ whole year to travel on holidays and get \_\_\_\_ break from \_\_\_\_ work . Fortunatley, I could travel this summer. I went to \_\_\_\_ Philipines, I visited \_\_\_\_ Laos and \_\_\_\_ Taiwan. too! It was \_\_\_\_ unique experience. There are \_\_\_\_ lots of places to visit. What I like the most was \_\_\_\_ islands and how clear \_\_\_\_ water was. \_\_\_\_ People from \_\_\_\_ village in \_\_\_\_ Philipines gave me \_\_\_\_ incredible welcoming celebration. It is incredible how \_\_\_\_ culture varies from one place to another. \_\_\_\_worst thing that happened to me was hiring \_\_\_\_ car that ran out of gas while I was in \_\_\_\_ dangerous region going into \_\_\_\_ town. Luckily, nothing bad happened but I was really afraid. Everything I want to do now is going to \_\_\_\_ bed! I really missed \_\_\_\_ home!
