Now, let's practice with another anecdote.

You won't believe what happened three years ago during Christmas Eve dinner! My sister _____ (prepare) a spicy food for my uncle when all of the sudden she_____ (start) crying. Apparently, she _____ (chop) chilli peppers for a long time and without noticing she ____ (touch) her eyes. She ____ (cry) so hard that I ____ (hear) her from the other room! I ____ (wash) her face and she ____ (feel) okay right away. What a Drama Queen!
