

LISTENING: USING SOCIAL MEDIA AN ADDICTION OR NOT?

A) Put the sentences in the order you hear.

.....a) I think people will stop using social media. I am sure they will realise that they miss real life.

.....b) The World will be a better place with social media and we will become citizens of one big village.

.....c) They will start spending more time with their families and friends. They will enjoy nature, the sky, the birds without their apps. They will feel free.

.....d) I think, in the future, every single person will use social media.

.....e) We download music, send text messages, use GPS and camera on our phones. Can you live without taking selfies?

.....f) Look around the cafe. Nobody is speaking to anyone. Everybody is just sitting and checking their smart phones.

.....g) No, I can't. I really enjoy it. But I think we spend too much time on social media.

.....h) Let me think. It is not an addiction, actually. This is a must.

B) Tick the correct one. Who thinks that?

	The girl	The boy
