

The background of the worksheet is a stylized beach scene. At the top, there are blue waves with white foam. Below the waves is a large area of yellow sand. In the center of the sand, there are several seashells: a small spiral shell, a larger fan-shaped shell, and two small blue shells. To the right of the shells is a small piece of driftwood. In the bottom left corner, there is a red life preserver and a small red crab. The title 'Student' is written in a large, black, cursive font in the center of the page. Below the title is the subtitle 'Descriptive Text - Worksheet' in a smaller, black, cursive font. In the bottom right corner, there is a logo for 'LIVEWORKSHEETS' with the word 'LIVE' in a colorful, blocky font and 'WORKSHEETS' in a blue, sans-serif font.

The powdery pink sand and gentle waves make it the perfect place to relax and enjoy the natural beauty of Lombok. The beach is flanked by coral reefs and crystal-clear waters, making it a snorkeler's and swimmer's paradise. The beach is relatively untapped in terms of tourism potential, and it can be found by following a path through the rice fields. To get to Tangsi Beach, you can take a 1.5-hour drive from the airport

Tangsi Beach, also known as Pink Beach, is a beautiful and secluded beach located in the southeastern part of Lombok Island, Indonesia. The beach is named after its unique pink-colored sand, which is caused by the presence of Foraminifera, a type of marine algae .

Once you arrive, you can enjoy the stunning views of the powdery pink sand and turquoise waters, which are contrasted with the coral-encrusted cliffs that flank each side of the beach. The beach is a perfect place to relax and enjoy the views, and it is also a great spot for snorkeling and swimming.
