2: American BLT (Bacon, Lettuce, and Tomato)

The greatest sandwich in the world is from America. It is the BLT. BLT is an acronym (ak roe nim) for bacon, lettuce, and tomato.

It is easy to make at home. Cook your bacon in a pan. Toast your bread in a toaster. Next, put mayonnaise on the toasted bread. Add lettuce. Then put tomatoes on the lettuce. Do not put tomatoes directly on the bread, or the bread will get wet.

Finally, the best part. Put the cooked bacon in the middle. Close your sandwich, take a picture, and take a bite. Yummy!
