A DAY IN MY LIFE

Hi, my name is Emily, and I want to share with you a typical day in my life. I wake up at 7:00 in the morning. The first thing I do is brush my teeth and wash my face. Then, I have a healthy breakfast with my family.

After breakfast, I go to school. School starts at 8:30, and I have different classes like math, science, and English. My favorite subject is art because I love to draw and paint.

School finishes at 3:00 in the afternoon. After school, I go to the park with my friends. We play soccer and have a lot of fun. I also have a snack at the park.

When I come home, I do my homework. I usually finish it by 6:00. Then, I help my mom set the table for dinner. We eat together as a family, and I love the food my mom makes.

After dinner, I watch TV or read a book. By 8:30, it's time for bed. I brush my teeth again, put on my pajamas, and my mom reads me a bedtime story. I go to sleep around 9:00.

That's a typical day for me!
