Last Christmas – song lyrics

Last Christmas I _____ you my heart,

But the very next day you _____ it away,

This year, to _____ me from tears

I'll give it to someone special

(REPEAT CHORUS)

Once bitten and twice shy

I keep my distance, but you still _____ my eye

Tell me baby, do you recognize me?

Well, it's _____ a year, it doesn't surprise me

Happy _____, I wrapped it up and _____ it

With a note saying "I love you", I meant it

Now I know what a fool I've _____

But if you kissed me now, I know you´d fool me again

Last Christmas I _____ you my heart

But the very next day you _____ it away

This year to _____ me from tears

I'll give it to someone special

(REPEAT CHORUS)

Ooh

Oh, oh, baby

LIVEWORKSHEETS

A crowed room, friends with tired eyes

I'm _____ from you and your soul of ice

My God, I _____ you were someone to rely on

Me? I guess I _____ a shoulder to cry on

A face on a lover with a fire in his heart

A man under cover, but you _____ me apart

Oh, oh now I've _____ a real love

You'll never fool me again

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tears

I'll give it to someone special

Special

(REPEAT CHORUS)

A face on a lover with a fire in his heart (I _____ you mine)

A man under cover but you tore him apart

Maybe next year I'll _____ it to someone special

Special

So long
