make a fuss

- 1 Large companies are not used to *disapproval* from shareholders.
- 2 Our senior managers receive a *one-off payment* if they meet their targets.
- 3 The shareholders *don't accept* the remuneration committee's findings.
- 4 The CEO lost his *court case* demanding compensation after the board of directors asked him to leave.
- 5 The consultants *recommend* the company not to increase the CEO's pay.
- 6 The new CEO negotiated a lavish *retirement package*.
- 7 The *remuneration* committee decided not to offer a 'golden hello'.
- 8 The newspapers always *cause outrage* when large companies make their executive pay deals public.
