Katy and Fred went to stay with their cousin, David, who lives on an island. They wanted to see the whales which visited there just once a year. On the second day, David's dad took the children down to the beach to look for whales. The children were very excited. They waited for a long time, but no whales came. Then the weather got better, so they went home. They did this for three days but they didn't see any whales. On the fifth day, they again. They sat on some rocks in the sun. Katy said, 'It doesn't matter if we don't see any whales because I'm so happy!' Then Katy started singing. After a few minutes, several whales appeared. David's dad shouted, 'Look! They heard you sing and they are coming to listen! I don't

- A** My wife and I do that for three hours a day. It's a big job.
B I came here when I was four or five years old.
