Look at the chart and choose one of the problems there to fill the mapping chart. REMEMBER the CLAIM and the REASONS must be your OWN IDEAS, DO NOT COPY FROM THE INTERNET.

EVIDENCE must be taken from a proven source, those MUST be supported with the pages, websites, magazines where you got the information.

Argument Writing:

Mapping Your Claim, Reasons & Evidence

Use this template to help you map out your claim, your reasons and the evidence that supports them. Read and follow the directions in each section to outline your argument.

CLAIM/THESIS
What is the **claim** that you are going to support with reasons and evidence?

REASONS

List **three reasons** for that support your claim. You will need to list two pieces of evidence from the text for each reason.

1	2	3

EVIDENCE

For each reason above, identify **two pieces of evidence** that support that reason. This could be a direct quote from a text or simply a fact or event.
