Pirate	Junk	Parrot
		

C. Practice

Pang says, 'Pete, you can't go out.' Pete is upset. Pang is leaving the junk. He opens the rusted door...squeak and goes to the island. Suddenly, splash! A shark jumps out of water and it hurts Pang. 'Ouch!' says Pang.

When he is on the island, he sees a wooden box. Then he taps the box. Knock, knock. The box opens. There is treasure inside! 'Yay!' Pang is very excited.
