Escoge que matriz va con la equacion de multiplicacion.

$2 \times 10 = \square$

$2 \times 10 = \square$

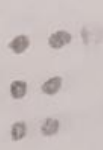

$10 \times 2 = \square$

$\square \div 10 = 2$

$\square \div 2 = 10$

$2 \times 3 = \square$

$2 \times 3 = \square$

$3 \times 2 = \square$

$\square \div 3 = 2$

$\square \div 2 = 3$

$5 \times 3 = \square$

$5 \times 3 = \square$

$3 \times 5 = \square$

$\square \div 5 = 3$

$\square \div 3 = 5$

*

$5 \times 5 = \square$

$5 \times 5 = \square$

$\square \div 5 = 5$
