CHORUS 1

'Cause with your hand in my hand and a **rocket / pocket** full of soul
I can tell you there's no **place / face** we couldn't go
Just put your hand on the **grass / glass**, I'm here trying to pull you through
You just gotta be **strong / wrong**

CHORUS 2

'Cause I don't wanna lose you now
I'm looking **fight / right** at the other half of me
The vacancy that sat in my **heart / head**
Is a space that now you **old / hold**
Show me how to **fly / fight** for now
And I'll tell you, baby, it was easy
Coming back into you **once / one** I figured it out
You were right here all **wrong / along**
It's like you're my mirror
My mirror **staring / starting** back at me
I couldn't get any **digger / bigger**
With anyone else beside of me
And now it's **clear / near** as this promise
That we're making two **receptions / reflections** into one
'Cause it's like you're my mirror
My mirror **staring / starting** back at me, **staring / starting** back at me
