Dear Pat,  
I'm not far Malta. As to the weather, it's very hot  
and I'm getting a nice suntan. There are lots more to do here  
just sunbathing though. I've tried windsurfing, water-  
skiing and snorkeling, haven't been on a jet ski yet.  
The nightlife here fantastic, too. I've  
been to a beach barbecue and quite a few night clubs. I've  
also at some great restaurants and tasted some  
delicious local dishes. I haven't bought any souvenirs ,  
but I've seen some nice things I want to buy because  
shopping here is really great!  
Well, that's all for now. See you when I back.  
Love,  
Emma
