

I can talk about quantities of countable and uncountable nouns.

VIDEO HOW MANY BANGLES ARE YOU WEARING?

Tammar: Cool music. You look great! Thanks for letting me take a few photos for the school magazine.

Alisha: No problem. Come in.

Tammar: Let's stand near the window. So, when do you wear these clothes?

Alisha: Mostly at weddings and Diwali, the festival of light. I've got lots of cousins, and we dance too ... Like this.

Tammar: Cool, but stand still. This is awesome material. Is it from India?

Alisha: No, we get some material at the market here. There aren't many shops, and there's very little choice, so we mostly buy online.

Tammar: Don't move your hands. Wow, how many bangles are you wearing?

Alisha: Lots! We always wear a lot of jewellery. I've got some anklets too ...

Tammar: This is perfect. How much time does it take to paint your hands?

Alisha: Ages! My gran does them, but she doesn't have much patience!

Tammar: Awesome! But stand still, please. I haven't got any photos of the whole outfit.

Like this. Lots! Ages!
