

FROSTY THE SNOWMAN

Listen to the song and choose the correct words.

Frosty the snowman was a jolly **sad** / **happy** soul
With a corncob pipe and a button **nose** / **mouth**
And two **eyes** / **ears** made out of coal

Frosty the snowman is a fairy tale they say
He was made of **ice** / **snow** but the children know
How he came to life one **year** / **day**

There must have been some magic in that
Old silk **hat** / **scarf** they found
For when they placed it on his **neck** / **head**
He began to dance around

Oh, Frosty the snowman was alive as he could be
And the children say he could **shout** / **laugh** and play
Just the same as you and me

He led them down the **roads** / **streets** of town
Right to the traffic cop
And he only paused a moment when
He heard them holler "**Stop!**" / "**Go!**"

Frosty the snow man
Had to hurry on his way
But he waved **hello** / **goodbye**
Saying "Don't you cry,
I'll be back again some day"
