(8 x 1 = 8 points)

SLOW TV

In Norway, many TV viewers are (**1**) ..... about a concept known as *slow TV*. Slow TV involves broadcasting in real time, showing events in the actual time it takes them to happen. — **ENTHUSIASM**

One programme that slow TV (**2**) ..... have made is about a cruise along the Norwegian coast with its (**3**) ..... scenery. The cruise lasted for 134 hours over five days and many people were (**4**) ..... absorbed in watching it. In fact, three million TV viewers are said to have seen it. Their (**5**) ..... with the show may be difficult for others to understand. However, one reason why it appealed to so many was that it (**6**) ..... them to see for themselves places which would otherwise have been (**7**) ..... . Not everyone, after all, is in a position to take such a trip. — **PRODUCE** / **STRIKE** / **TOTAL** / **FASCINATE** / **ABLE** / **ACCESSIBLE**

Viewers in Norway have also been (**8**) ..... on other slow TV programmes. One of them, *National Firewood Night*, lasted 12 hours and showed a log fire being built and then burning. Surprising as it may seem, this is a popular topic in Norway! — **HOOK**

B Read the text below and think of the word which best fits each gap. Use only one word in each gap.

(8 x 1 = 8 points)

PROFESSOR GARFIELD

Garfield is a comic strip about a lazy cat who is (**1**) ..... getting into trouble. *Garfield* was created by cartoonist Jim Davis in 1978, and (**2**) ..... then it has become one of the most popular comic strips of all time. It has even been made into two films and adapted (**3**) ..... television.

Garfield, the orange cat, is also the star of the Professor Garfield website, which (**4**) ..... started by Jim Davis to provide students with a wide range (**5**) ..... motivating and fun learning activities. The site offers students an opportunity to create their own comic strips. The software has (**6**) ..... specially designed for teachers to use easily and effectively in the classroom so the activities can become part of the school syllabus. Alternatively, activities can be completed by students at home at (**7**) ..... own pace. When he was setting up this site, Davis had help from professors at Ball State University, where he (**8**) ..... once been a student himself.
