Lesson D Reading

A Job in the African Bush

Tayla McCurdy is a young guide with National Geographic's Safari Live. She is from Port Elizabeth in South Africa. It is a beautiful part of the country. Her job is outside with the animals. It is very interesting. Elephants are her favorite animals. They are big and beautiful.

Stefan Winterboer is from Pretoria in South Africa. He is a senior field guide with National Geographic's Safari Live crew in Africa. He is a very good guide. The African bush is big. In his job, Stefan works with many animals, like lions, elephants, and rhinoceroses. He loves his job.

The elephants in Africa are beautiful.
