BUILD A SNOWMAN

Listen to the song and choose the correct words.

Do you want to **build /make** a snowman?
Come on, let's go and play
I never see you **anymore /evermore**
Come out the door
It's like you've gone away
We used to be **best/good** buddies
And now we're not
I wish you would tell me **why / how**
Do / Did you want to build a snowman?
It doesn't have to be a snowman

Go away, Anna!
Okay, bye

Do you want to build a snowman?
Or ride our **bike /skateboards** around the halls?
I think some company is overdue
I've **started / begun** talking to
The pictures on the walls
It gets a **bit / little** lonely
All these empty rooms
Just watching the **hours / minutes** tick by

Elsa?
Please, I know you're **out / in** there
People are asking where you've **gone / been**
They say: Have courage
And I'm trying to
I'm right out **here / there** for you
Just let me in
We only have each other
It's just you and **I / me**
What are we going to do?
Do you **like / want** to build a snowman?
