2. Jake and Angela have just watched a film at the cinema. Complete their dialogue with the missing words. The definitions in brackets are given to help you.

J: What did you think of the movie, Angela? Excellent, eh?
A: Erm. Not really. The plot (what happens in the story) was really silly. For example, why did they go to the island with no food, no water and no map?
J: Because it's a film! What did you think about the _____ (what the actors do) ? That was good. Some of the actors might even win an Oscar.
A: Well, I don't think they'll win any Oscars for the _____ (the text in a drama). What the _____ (people in a drama) said was clichéd and not very realistic. But I have to say that the _____ (music during a drama) was great.
It created a very frightening atmosphere. And the _____ (illusions created by computers) were also very good. The monsters on the island looked real.
J: I agree. And I think all of the _____ (clothes the actors wear) were good. I thought the _____ (the place or time of a drama) was really original and the _____ (how a drama finishes) was a big surprise for me. I really enjoyed the film.
A: Really? They're showing Hitchcock's The Birds next week. Maybe you'd like to see a really good film?
