Lesson 5 / The Kind Of Lover I Am

1 Watch, listen and enjoy.

"The Kind Of Lover I Am"

I'm the type to wear you out and make you dream in different sounds
I'm the type the morning after your sister wants around

I might not believe in monogamy
The moment I fall, that's it for me
I get obsessed with no jealousy
That's the kinda lover I am

Doesn't matter, you're a woman or man
That's the kind of lover I am
You can safely put your heart in my hands
That's the kind of lover I am

I'm not the type to call you out and fight in front of your friends
But oh lord, we'll be having some words in my Mercedes Benz

I might not believe in monogamy
The moment I fall, that's it for me
I get obsessed with no jealousy
That's the kinda lover I am

Doesn't matter, you're a woman or man
That's the kind of lover I am
You can safely put your heart in my hands
That's the kind of lover I am

I'll hold you, console you, really get to know you
I'll hold you, console you, every night I'll show you
With the passion of a one night stand
That's the kind of lover I am

Doesn't matter, you're a woman or man
That's the kind of lover I am
You can safely put your heart in my hands
That's the kind of lover I am

I'll hold you, console you, really get to know you
I'll hold you, console you, every night I'll show you
With the passion of a one night stand
That's the kind of lover I am

You know, I've been really good on my own lately
Like I don't need anybody or anything
I'm feeling good by myself
But if somebody comes along
And they just look at me the right way
And they tell the right joke
I don't care if you've got a dick
I don't care if you've got a WAP
I just want to love
You know what I'm saying
I just wanna fucking share my life with someone at some point
Right now I'm good though
I don't need anybody I'm good
