I love \_\_\_\_\_ films too, all kinds from Japanese anime to children's cartoons. I think the Japanese- style films are really \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. The stories are strange, but the artwork is beautiful and some children's \_\_\_\_\_ are really funny. I watch them with my little \_\_\_\_\_. There is something for everyone, kids and adults. I used to love \_\_\_\_\_, but I don't think \_\_\_\_\_ action films are as good as the ones in the past, before they were big-budget blockbuster films, they were set in amazing \_\_\_\_\_ and the stunts were incredible. Now they are often low-budget with lots of \_\_\_\_\_. They just aren't as \_\_\_\_\_.

## **Choose the Correct Summary of the Video!**

Оберіть правильний зміст тексту.

1. In the video, the speaker talks about their love for musicals and how they enjoy watching them with their girlfriend. They find musicals to be entertaining and enjoyable, especially when they sing along with the characters. The video also mentions that action films are the speaker's least favorite genre because they find them unexciting and low-budget.
2. The video discusses the speaker's favorite types of movies. They enjoy sci-fi films because they find them imaginative and interesting. They also like horror films because they are predictable and fun to watch with friends.
3. In the video, the speaker talks about how much they hate sci-fi movies because they find them boring and uninteresting. They also mention that horror films are not scary at all and they don't enjoy watching them. Instead, they prefer documentaries because they provide important information and are enjoyable to watch.
