

NEW ZEALAND

New Zealand is an island country in the Pacific Ocean.

CLIMATE

New Zealand's seasons are the opposite of those in the U.S. It is warmest in December to February and cooler in June to August.

GEOGRAPHY

New Zealand is divided into two almost main islands and many smaller islands.

ANIMALS

New Zealand is known for its Kiwi bird which is in danger of extinction. Large sea animals can be seen along the coast such as whales, dolphins, sea lions and penguins. There are more sheep than people in New Zealand!

SPORTS

Rugby is the national sport. It is a contact sport similar to American football. They also play cricket, basketball tennis and many water sports.
