Elmo's Activities at Home

Elmo loves to help at home. On Saturdays, he wakes up and has breakfast with his family. Immediately, he helps his mother, so he sweeps the floor. When he finishes, he takes a shower to get ready for the day.

In the afternoon, Elmo has lunch, he likes to set the table, but he doesn't like to clean it up.

Elmo likes to play, but he doesn't like to put his toys away when he finishes.

At night, he takes a shower again and goes to bed.
