My town: past and present

by Dawn Cowper

In 1900 my town was very different. It was smaller and safer but it was also dirtier and more boring! In the centre of town, there were some shops, a bank and a library, but there weren't any hotels, museums or supermarkets. The nearest theatre was 56 kilometres away, and children played football in the street, not in a stadium. There were 13,000 people in the town and they lived in houses with small gardens.

Today the town is bigger. There are a lot of modern houses but you can see some older houses near the centre of town. There are also cafés, restaurants and an animal hospital. The town hasn't got a stadium but there's a sports centre.

My big sister doesn't live here now. She's a doctor and she works in a big city. I want to be a doctor too, but I want to be an animal doctor – a vet. I hope I can find a job at the animal hospital in my town when I finish school.
